

## 5TH, 8TH ARMIES CONTINUE ROME MARCH

## Morgenthau Asks Congress For Ten Billion In New Taxes

The War  
Today...By DeWitt MacKenzie  
AP War Analyst

THE BALKANS are boiling with reports that Germany is seeking a separate peace with Russia, and that Moscow is considering the idea.

These and other recent stories along a similar line undoubtedly were inspired by Berlin. They perhaps were put out partly as feelers, but certainly with the hope of creating distrust among the Allies.

Along with this, Hitler has ordered his commanders to hold a "blood wall" across northern Italy and to "defend Fortress Europe" to the last drop of blood. A German commentator hands out the word that this is a "guaranty" that the Nazi armies in Fortress Europe will be able to hold their positions many years, if necessary, until the Allies are convinced the war is futile.

The intent of this is obvious—to implant in the minds of the Allies the thought that, after all, it might be better to make peace now than to let the war drag on interminably. There's no doubt the Fuhrer knows he's beaten and wants to get out of the war on the best terms possible, though Berlin usually continues to deny it has any idea of surrender.

Well, would Russia make a separate peace with Germany? All the indications thus far have been that she has no intention whatsoever of doing so. However, one doesn't need a telescope to see that, with one of the greatest crises of the war now being staged along the Dnieper, military developments might alter Russia's mind.

MOSCOW'S CALL for the western Allies to open a second front in France has been repeated almost daily as the German retreat has continued. The Russians have kept insisting that the appointed hour for that front was at hand while Hitler was on the defensive.

This and other military and political situations continue to emphasize the urgency of the forthcoming conference among representatives of the Allied big three—Britain, Russia and the United States. There are vital differences of viewpoint to be reconciled if the victory which the United Nations assuredly are winning on the battlefields isn't to be nullified by clashes among themselves.

The chief task of these three paramount world powers is, of course, to reach common ground between the Soviet Union on the one hand and the Anglo-American partnership on the other. Since this involves great and delicate issues, Turn to WAR TODAY, Page 8

Couple Resume Boat Trip  
Down Ohio River to Gulf

EAST LIVERPOOL, Oct. 4.—Mr. and Mrs. Albert Schenholm of Breckinridge, Pa., resumed their 3,000-mile voyage down the Allegheny, Ohio and Mississippi rivers to the sea today after a weekend stop here for repairs to their \$10,000 auxiliary boat.

Generator trouble forced docking of their 32-foot craft, which is gasoline powered and carries a 39-foot launch and a smaller motor boat. The boat was built by Schenholm at Bradford, then trucked overland 30 miles to Kittanning, Pa., where the voyage began.

The Schenholms expect to spend six weeks on the river journey to the Gulf of Mexico.

## SHE'S SAD ABOUT IT ALL

SAVED from becoming the main course at a barbecue on Guadalcanal after her mother was killed in an air raid, this six-week-old calf, "Sally," wonders whether her fate may have been worse than death. She's listening to Sgt. John Queen (left), Prescott, Ariz., and Sgt. F. L. Pasute, San Diego, Cal., and believes the belief that music hath charms to soothe a beast. U. S. Marine Corps photo.

ASSERT WOMAN  
Time Changes Again  
WAS MURDERED  
For Some Ohioans

(By Associated Press)  
COLUMBIANA, Oct. 4.—A routine today an hour later by the sun because they had set their clocks back after a summer of "fast" war-time.

Some cities changed back a week or two earlier; a few will return to "slow" time next Sunday. Only three—Steubenville, East Liverpool and Bellefontaine—were reported planning to continue "fast" time during the winter.

Queries to newspapers and transportation agencies indicated the switch caused considerable confusion, as it did last winter when the legislature refused to go along with the national fast time trend and Ohio cities almost unanimously changed time anyway.

Federal officials will continue on fast time, as will railroads.

Some war workers—Notably at the Curtis-Wright Corp. in Columbus—receive the hours overtime they lost last winter in the change to fast time.

Three boys, Junior Gourley, Clifford Oakes and Regis Walter, who live in the vicinity, stumbled over the body as they walked through the woods. Neighbors summoned police who found a white ankle sock, the only piece of clothing on the body, and nearly a hair ribbon and a pair of blue playboots which a sister-in-law said she had lent Mrs. Lyons. Authorities are puzzled over what happened to the rest of the girl's clothing.

Sheriff George Hayes and Coroner Devon said "there is no question that the woman was murdered."

The husband of the woman, a bride of five months, taken into custody Saturday and later released, was ordered arrested and held for further questioning today. Mr. Lyons was the daughter of Mr. and Mrs. Robert Neilson of Substation rd., East Liverpool.

YOUNGSTOWN MILK  
SALES CURTAILED

WASHINGTON, Oct. 4.—The War Food Administration brought five additional Ohio metropolitan areas under its program limiting the civilian consumption of fluid milk and milk products during the fall and winter season of reduced production.

The program, effective tomorrow, sets up dealer distribution quotas which in the case of fluid milk and cream may not exceed their June deliveries. For such by-products as cottage cheese, chocolate milk and buttermilk, quotas will be reduced to 75 per cent of June sales.

The Ohio cities affected are Youngstown, Middletown, Hamilton, Akron and Columbus. Fred Isler, Cincinnati, is administrator of the program.

VICTORY TAX  
REPEAL ASKED  
IN NEW PLAN

\$6,500,000,000 In New  
Taxes Would Come from  
Individual Incomes

(By Associated Press)  
WASHINGTON, Oct. 4.—Secretary Morgenthau asked Congress today to provide an additional \$10,500,000,000 a year in wartime taxes, taking \$6,500,000,000 of this huge sum from individual incomes.

Repeal of the victory tax, which Morgenthau said would relieve 9,000,000 hard-pressed families from tax on their incomes, was included in an administration program which embraced also big increases in corporation and excise taxes.

With President Roosevelt's approval, the Treasury secretary presented to the house ways and means committee the tax plan designed to boost annual federal revenues to nearly \$50,000,000,000—approximately one-third the national income.

Plan Is Outlined

1. Individual incomes—raise rates and lower exemptions so as to gather in an additional \$6,500,000,000 annually. Merge the Victory tax with the income tax. Lower the exemptions for married persons from \$1,200 to \$1,100; dependents from \$350 to \$300, and retain the \$500 exemption for single persons.

2. Corporations—raise rates so as to raise another \$1,100,000,000, with small corporations given "special favorable treatment."

3. Excise taxes—still increases in the taxes on so-called luxuries—including liquor, beer, tobacco, travel, soap and gum—for an added government income of \$2,500,000,000.

4. Estate and gift taxes—reduce the exemption for estate taxes from \$60,000 to \$40,000, and increase estate and gift taxes throughout the scale, to yield \$400,000,000 additional. Of the increased take from incomes, Morgenthau proposed that \$2,000,000,000 and \$3,500,000,000 be made refundable after the war.

At the same time, however, the Treasury head suggested broadening of the Social Security system to increase job insurance benefits and provide payments for temporary disability and hospitalization.

The tax program given Congress represents a \$1,500,000,000 reduction from the previously-voiced goal of \$12,000,000,000. There already have been signs at the capital, however, that Congress was unlikely to vote more than 4 or 5 billion additional.

Substantial Reduction  
"At first glance," Morgenthau told the committee, "it may seem that a billion and a half less than our original figure is not a substantial reduction; but all the reduction is in the individual income tax and it amounts to a great deal in terms of a reduced burden on any given individual or family."

In the interest of simplification, Morgenthau called for repeal of the

Turn to NEW TAX, Page 8

Lanier, Chandler  
Will Open Series

NEW YORK, Oct. 4.—Lefty Max Lanier of the St. Louis Cardinals and Spurgeon (Spud) Chandler of the New York Yankees were named today as starting pitchers for the opening game of the World Series in Yankee stadium tomorrow.

The section of Lanier, who has won 15 and lost 7 this season, was announced by Manager Billy Southworth aboard the train carrying the Cardinals toward New York this afternoon.

Earlier, at a workout of the Yankees in the stadium, Manager Joe McCarthy had revealed he would lead off with Chandler, the right-handed star who won 20 and lost 4 while coming a remarkable 1.67 earned run average during the regular season.

FOUR ARE KILLED  
IN AIRPLANE CRASH

MEADVILLE, Pa., Oct. 4.—Two instructors and two students from Allegheny college were killed today when their plane crashed into a field and burned about a mile and a half east of Meadville.

Witnesses said the two ships met head-on about 1,000 feet in the air. One of the occupants jumped out but his parachute failed to open.

The bodies of the other three were burned badly.

Names of the victims were not immediately released by Army authorities.

MILLION OVER  
IN BOND SALE

Big Increase In County's  
Final Drive: City Is  
Over by \$713,251

CITY	
Sales	\$2,632,251.90
Quota	1,919,000.00
Over	713,251.90
COUNTY	
Sales	\$7,500,000.00
Quota	6,382,000.00
Over	1,118,000.00

Salem went over the top by \$713,251.90 and the county by \$1,118,000 in the Third War Loan drive that closed officially Saturday night.

Sales in the city totaled 5,936 as compared with only 2,714 in the April drive. This big increase was the result of the house to house campaign conducted by 300 volunteer workers.

While the total sales reflected a few large purchases, it is interesting to note that half a million dollars in the smaller E. P. and G. bonds were purchased by 5,797 individuals. Columbiana county staged a last minute surge of buying to bring total sales to \$7,500,000, or more than a million over the quota. County Chairman L. H. Colley reported today.

E. Liverpool Over Top  
Reports from many of the cities in the county were incomplete and Colley anticipates it will be a few days before he has the complete official figures for the county.

East Liverpool, with 6,985 purchases, brought its total up to \$2,477,438.04 and Wellsview added \$270,712.20 to give the two cities a combined total of \$2,748,150.24, or \$315,000 over their quota.

East Palestine also pulled past its goal of \$415,000 by selling \$43,000 and Salineville topped its quota of \$64,000 by \$14,000. Up to the last day these cities were running behind their quotas.

Leontia added a few thousand the last day to bring its sales to \$169,000, or \$35,000 beyond the quota.

Columbiana reported sales of about \$700,000, or \$60,000 over the goal, and Lisbon went well over its quota of \$447,000.

Firemen Fight Restaurant  
Blaze Two Hours Sunday

Firemen, called at 8:32 p. m. Sunday, worked for more than two hours in extinguishing a fire at the Salem Lunch, 441 S. Ellsworth ave., owned by Peter Tenos.

The blaze, caused by a defective chimney, started in supporting timbers around the chimney, burning up through the flooring, in the center of the building. The restaurant occupies the first floor and living quarters are located on the second floor.

Firemen were hampered by a gas released from the refrigeration units by the fire which, firemen said, started while the family was away. The fire did not reach the second floor apartment, but did considerable damage to the building and refrigeration system on the lower floor.

Oct. 15 Poetry Day  
COLUMBUS, Oct. 4.—Friday, Oct. 15 will be Ohio's sixth annual poetry day. Observances will be held in the public schools and prize-winners in a state-wide contest will be announced at a Columbus banquet.

On Flood Control Group  
WASHINGTON, Oct. 4.—Rep. Edward O. McCowan (R) of Wheelersburg, O., has been named to the house flood control committee to take the place of the late Rep. Englebright (R-Calif.).

British Land  
Behind Nazis  
On East CoastBy NOLAND NORGAARD  
Associated Press Writer

ALLIED HEADQUARTERS, ALGIERS, Oct. 4.—The British Eighth army, with the support of Allied naval forces, have landed and clinched positions at Termoli, on the Adriatic coast almost midway between the Italian heel and the mouth of the river Po in northern Italy, official frontline dispatches announced today.

Simultaneously, United States troops of Lt. Gen. Mark W. Clark's Fifth army have plunged forward from Benevento in their march on Rome from Naples and have captured an important crossing of the Calore river, thereby threatening to turn the flank of any water defense line which the Germans may attempt to hold along the Volturno river.

Gen. Sir Bernard L. Montgomery's advance up the Adriatic coast—along the historic path of conquerors toward the Etrurian way, which leads to the Po valley—likewise threatens to turn the defenses of German Marshals Rommel and Kesselring which may be centered about Rome and the Apennines.

His march was advanced greatly by the leapfrog tactics of amphibious landing forces which seized Termoli by surprise, beat off German counterattacks, took an undisclosed number of prisoners well behind the enemy's rear and then made a junction with the main body of the Eighth army which continued to pound up the coast.

FRANKFURT HIT  
IN LATEST RAID

U. S. Bombers Follow Up  
RAF Attack On Kassel  
In Germany

(By Associated Press)  
LONDON, Oct. 4.—American Flying Fortresses, supported by long-range Thunderbolts, swept into Germany today and attacked targets in Frankfurt, 91 miles southwest of Kassel where RAF heavy bombers struck last night, it was announced today.

The air ministry also said British Mosquitos bombed Hannover and targets in the Rhineland last night. Other bombers laid mines in enemy waters.

A British communiqué described the Kassel attack as "very heavy." The RAF's night operations, including the Kassel raid, cost 24 bombers.

Frankfurt with a population of more than half a million is a big inland port on the main river, a railway center, and the site of large oil refineries, chemical plants, and other war factories.

It was the 37th raid of the war on that city. It has been untouched since assault, however, since last December.

Today's daylight raid by the big American bombers and their long-range escorts was the first precision attack of the war on Frankfurt.

Hit Airplane Factory  
The Kassel raid was the fourth big blow in six months on that manufacturing center for Messerschmitt fighter planes and other war machines.

The twin blows followed the now-familiar Allied strategy of splitting the German defenses, as the cities lie less than 100 miles apart, one east of the Ruhr and the other southeast.

While the RAF's heavy bombers were delivering last night's major raid, light Mosquitos dropped loads of explosives on Hannover, only 160 miles west of Berlin, in the second heavy blow at that industrial city in six days. It was last raided in force by the RAF on Sept. 27.

Other Mosquitos hit at the Rhineland in the wide-spread operations that kept most of western and southwestern Germany alerted for hours during the night.

Three enemy patrol boats in the Bordeaux area were damaged, mines were scattered through enemy shipping lanes and a Ju-88 was shot down by still other Mosquitos ranging the French channel coast.

Five hundred tons of bombs were dropped Saturday night on Munich, the Nazi party's birthplace and a main supply outlet from southern Germany into Italy. The industrial city of Hagen was attacked Friday night.

Arbitrate Bus Dispute  
CLEVELAND, Oct. 4.—An agreement to arbitrate a dispute over carrying standing passengers in buses eliminated the threat of a strike by Pennsylvania Greyhound lines drivers, company President S. R. Sundstrum announced.

He said the agreement with an AFL Amalgamated Motor Coach Employees association provided for reinstatement of approximately 70 employees suspended for second refusal to carry standing passengers.

Termoli is 50 miles north of Foggia, the airbase city, and approximately 17 miles north of Gen. Montgomery's previous position at the mouth of the Fortore river just north of the "spur" of the Italian boot.

Enemy Resistance Stiffens  
Already there was evidence that the crossing of the Calore by the Americans was forcing the Germans to withdraw from the Volturno line where they might have hoped to halt their retreat.

The Calore, which the Americans reached with the capture of Benevento, flows into the Volturno which turns northward at Amorosi, 26 miles northeast of Naples.

Immediately north of Naples, Fifth army patrols with strong British armor support, stabbed resolutely at the retreating Germans and found enemy resistance stiffening, apparently because the Germans were intent upon slowing down Clark's advance long enough to withdraw heavy equipment and supplies across the Volturno.

With the Americans across the Calore river and in a position to strike westward in force, the Germans appeared able only to fight a delaying action along the Volturno once Clark's main body reaches that stream.

The communiqué also announced the occupation of Montemiletto, 11 miles southeast of Benevento, on the flank of the American column which reached and crossed the Calore.

Farm Leaders Set  
Own Crop Quotas  
At State Meeting

(By Associated Press)  
COLUMBUS, Oct. 4.—Eighty state and national farm leaders open a three-day conference here today to help fix Ohio's food production plans into the nation's wartime needs for 1944.

First of a series of state meetings to set crop quotas locally instead of in Washington, it will consider recommendations of the War Food Administration and a special Ohio committee representing Ohio State university, the Extension Service and the Agricultural Adjustment Administration.

Elmer F. Kruse, U. S. Department of Agriculture state board chairman, said the meeting would "review national food needs and see what adjustments, if any, Ohio can make to help meet these requirements."

Among major problems to be considered will be maintenance of milk production, a feed shortage, and price supports.

Kruse said the feed shortage, "especially protein feed, is our number one problem right now." A survey Sept. 10 indicated only 87 per cent as many tons of feed would be produced in Ohio this year as in 1942, while Ohio has 2 per cent more cows to feed.

The Ohio committee has recommended a 17 per cent cut in hog production, a 2 per cent increase in beef cattle marketing and a 23 per cent increase in dairy production.

## IS THERE PLENTY OF GASOLINE?

Perhaps the skeptics among motorists never can be convinced and will insist for the duration that there is plenty of gasoline for everybody in the United States to go everywhere and do everything.

Nevertheless, it seems worthwhile that a house subcommittee, simultaneously with announcement of the cut in the value of B and C coupons east of the Rockies and the slight increase in the value of A coupons on the Atlantic coast, promises an investigation of gasoline rationing and distribution. The facts and figures should be better known.

Petroleum administration for war has published a comprehensive survey of the fuel situation. This survey explains fully why the shortage of gasoline spread from the Atlantic coast into the midwest as the result of using the midwestern supply to overcome the effect of meeting the war drain from eastern seaports. It explains also that the United States is confronted not only with a temporary shortage but the threat of permanent petroleum famine.

Yet, that notion is widely held—and may even be the motive for the forthcoming investigation by a subcommittee of the house. As the fuel shortage spread, whether because the United States is fighting a motorized war and can't produce fuel fast enough to meet all demands, or merely because government has decided to make motorists suffer for the good of their souls, it is time for a showdown. If a congressional committee or anyone else can figure out how every motorist can have unlimited gasoline and every ship, tank, truck, airplane and engine on the battlefronts can be supplied, too, so bright a light shouldn't be hidden under a bushel. Such genius would be worth double its weight in gas coupons in the right place.

## SWITZERLAND GETS INTO THE WAR

The Swiss, whose famed neutrality occasionally raises doubts, have announced with callous brevity that United States bombers were forced down with loss of life in their territory Friday—and "may have been" victims of Swiss anti-aircraft fire.

Switzerland, with no intention of fighting as a belligerent in the war, is getting into the war, nevertheless. Its situation straddles the air route which bombers must fly to reach war targets in Germany being approached from Mediterranean air bases poses a tough decision for Swiss gunners.

There will be United States and British bombers over Swiss territory, and there will be German planes, too. In the normal course of events, some of these planes will be shot out of action in aerial combat. But any indication that Allied bombers are being shot out of action by ground fire from Swiss anti-aircraft batteries will not lie in the normal course of events.

Swiss neutrality must be respected. But Swiss neutrality in the final analysis must be evaluated by the same standards as the neutrality of all other nations. That is to say, Switzerland's right to stay out of the war is valid only so long as Switzerland succeeds in not taking sides. Any strong evidence that its neutrality is being shaded with more sympathy for the Germans with whom they do business than for the Allies, who are in no position to threaten them and would not, if they could, will make Swiss neutrality—like most neutrality—a myth.

## THIS IS THE ANSWER

The enemy's intelligence system has reported the bad news of the Third War Loan's success by this time, but behind the figures are some details that Berlin and Tokyo must fill in by guesswork.

The thing they had to fear and didn't fear enough was the response of the ordinary people of America to the challenge of war. They didn't foresee the crystallization of popular will that produced weapons, a huge conscript army and an outpouring of the people's wealth to pay the cost. They couldn't foresee it because there was nothing like it in their experience.

This is America's answer to the German and Japanese plot to dominate the world. The warmakers claimed they were the dynamic powers, destined to stand on the decadent democracies. There has been more dynamic energy released during the Third War Loan than Germany and Japan could muster in a decade—energy where the dictatorships are weakest, among civilians.

It is significant that the Nazi propaganda mills haven't produced anything lately on the subject of the decadent democracies. Dr. Goebbels knows better now. When a decadent democracy exceeds a 15 billion dollar goal in one drive to finance the war against dictatorship, the doctor must wish he could transplant some of that decadence into his war-weary countrymen.

## SALVO FOR NAPLES

In this grim, determined war without fanfare, there is no salvo for the occupation of Naples. The surge of Allied forces northward in the Italian peninsula is viewed as part of the power-drive that began almost a year ago with invasion of North Africa; there are no halts for celebration.

Yet, if salvos were fired to acknowledge great victories, as they are acknowledged in Moscow, Naples would be worthy a 20-gun salute, and the victory at Salerno, which opened the way, would have been worth 15. The British occupation of Foggia would be worth another 15, and the occupations of Sardinia and Corsica 19 apiece.

It is easy—too easy—to forget in our preoccupation with final victory that the goal is being approached day by day in the routine developments of the Allied offensive. Germany's defeat was sealed this summer when its fighting forces yielded in Russia and the Mediterranean area. Invasion of Sicily, the preliminary to the landings in Italy, the capitulation of the Italian government, the bombing raids on German-held territory—these are the warp and woof of the

fabric of victory. It is regrettable that their meaning sometimes is obscured by failure to lift our eyes from the task.

## FROM THE NEWS FILES

FORTY YEARS AGO  
(Issue of Oct. 4, 1903)

The grand jury for the September term of court completed its work last evening and submitted its final report.

L. K. Deemer will start auction delivery system in Salem a week from Monday.

The Royal Arcanum council held a "royal smoker" at its lodge room last night.

The civil service commission has just received a call from the Philippine government for 150 male teachers. Examinations will be held on Oct. 19 and 20.

Dixon Harris and Miss Edna Harris left this morning for Pittsburgh to attend the exposition.

Frank and George Hise went to Minerva yesterday to attend the fair.

Miss Annette Farr left today for Limestone, Pa., where she will visit friends for some time.

A. K. Tatem has returned from Chicago where he has been on business for the past week.

Mrs. Fred Bruner left this morning for her home in Wheeling after a visit with friends here.

Mrs. C. A. Shetler and family left today for Ravenna to visit friends for a few days.

THIRTY YEARS AGO  
(Issue of Oct. 4, 1913)

Mrs. S. B. Richards entertained associates of the Goshen Avenue Country club at her home on Goshen ave. yesterday.

Announcement has been received from Frank Seiberling of Akron that the new Lincoln highway will run through Salem.

Sunday will be observed as Rally day at the Christian church and the Sunday school hour will be devoted to a special program.

An open air concert was given by the Quaker City band last night.

The county convention of the Knights of Pythias will be held in Washingtonville Oct. 23.

Mrs. Martin Kaley has gone to Wooster to visit relatives.

A marriage license has been issued at Lisbon to Karl L. Webster and Miss Laura B. Cooper.

Mrs. Mary Wachsmuth of Saxenburg, Pa., and Esther Kaatz and Lizzie McKenzie of Pittsburgh arrived here yesterday to visit with J. D. Woodworth and family of Garfield ave.

Mrs. W. G. Fawcett, who has been visiting her daughter, Mrs. Edward Dougher, of New Castle, Pa., has returned home.

The mule team and wagon owned by Joseph Shriver was badly damaged yesterday when it was struck by the shifter at the Newgarden st. railroad crossing.

TWENTY YEARS AGO  
(Issue of Oct. 4, 1923)

Perry grange held its first memorial service last evening at the hall on the Franklin rd.

Eldon Whinnery, son of Mr. and Mrs. Roy Whinnery of North Georgetown, fell while running yesterday and fractured a bone in his neck.

Miss Tillie Barkey, daughter of Nathaniel Barkey of Petersburg, formerly of Salem, will sail soon for Africa where she will be a missionary.

A severe earthquake was felt in Tokyo today according to a dispatch received in London.

The following officers were elected by the Woman's organization of the Methodist church: Mrs. Mary Pine, first vice president; Mrs. R. E. Smucker, second vice president; Mrs. Carl McConner, secretary; Mrs. James McNeelan, treasurer.

Rev. C. H. Hauger was received as a member of the Kiwanis club yesterday noon.

A parade has been arranged as a closing feature of the "Trade Extension Week" which begins here Monday.

Mr. and Mrs. Jesse Mangus, and Mrs. W. L. Burson are spending a few days at the races at New Castle, Pa.

Mr. and Mrs. Reginald Mullette of Massillon are guests of her parents, Mr. and Mrs. Thomas Martin of McKinley ave.

## THE STARS SAY:

For Tuesday, October 5

ALTHOUGH there are signs of opposition, obstacles and other restraints, this day may be notable for a definitely productive and expansive set of circumstances, that may fire the ambitions to marshal the talents and forces and grasp excellent openings for promotion, favors, enhanced prestige, with increase of credit, finances and resources. This will require logic and sound decisions, as snap judgments and irregular acts may prove perilous.

If It Is Your Birthday

Those whose birthday it is should be on the eve of a promising year, with important issues at stake, affecting the finances, credit, possessions, impersonal popularity and happiness. The main danger may be from impulsive acts, quarrels, hasty and unreasonable judgments, which may call down opposition, malice and vindictive measures probably from relatives or elders. A rational, pleasant and persistent course may save the day and further cherished aims and ambitions. Promotion and favors are probable.

A child born on this day, although efficient and ambitious may encounter many obstacles, from elders or superiors, affecting its physical or nervous condition. These conquered, it has fine promise for success.

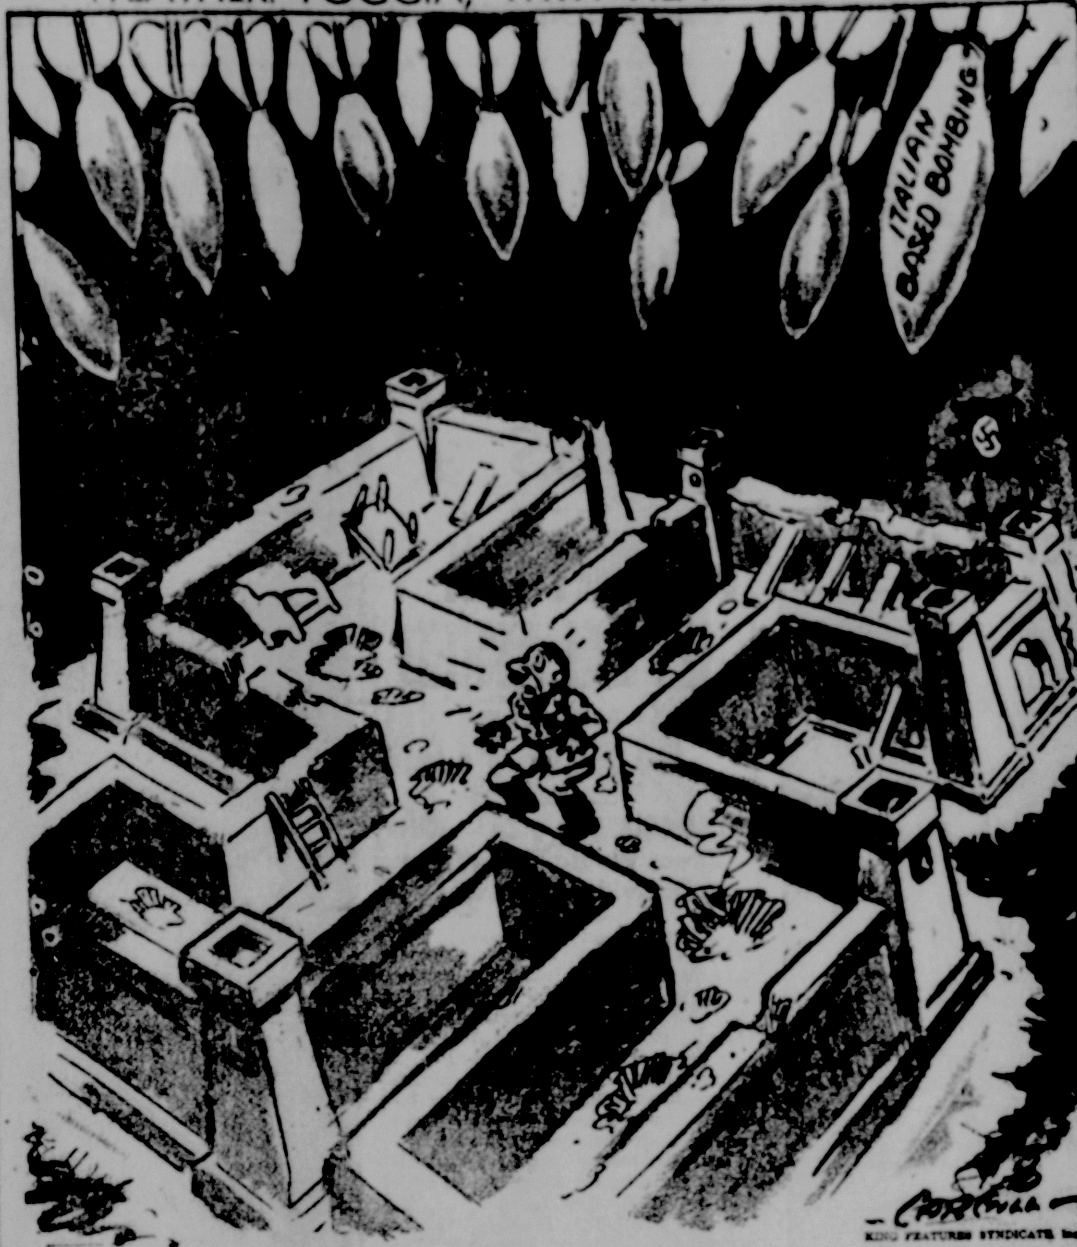

With all due sympathy for Italian sufferings under their self-chosen German friends, we should get their minds straight on this. The Italians who sincerely cheer our troops today when they enter a new city also cheered Mussolini.—Editorial in the Eighth Army News.

In our modern world political isolation has become an anachronism, and upon those who may advocate our future detachment from those responsibilities will rest the onus of permitting the seeds of future wars to take root.—Joseph C. Grew, special assistant secretary and former ambassador to Japan.

There is no such thing as being neutral in this war. A country is either with the United States or not. Spain should declare herself, and that goes for Argentina on our side of the ocean.—Mayor Fiorella H. La Guardia.

I couldn't count them, but it looked like thousands to me. Every time they showed up over the ridge I let them have it.—Sgt. David Woody, Memphis, Tenn., decorated for killing 200 Germans in Tunisia.

## WEATHER: FOGGIA, WITH HEAVY SHOWERS

## GUARDING YOUR HEALTH

Ideal Feet Are Hard To Find

By LOGAN CLENDENING, M. D.  
I SUPPOSE if the Surgeon-General of the Army were to be asked what kind of recruits he could most wish for, he might very well answer, "Those with good strong feet." Of course, he wants other features too—good eyes and ears and sound lungs and minds, but after getting

Dr. Clendingen will answer questions of general interest only, and then only through his column.

into training more soldiers probably are disabled for foot trouble than any one thing. If you hear your boy or your pal in the Army has been hospitalized, the chances are that it is not as likely to be something fatal as that he is being treated for foot trouble.

As Captain Alfred S. Stevenson, of the Medical Corps, says, "In spite of mechanized warfare and its implied changes in methods of locomotion, a soldier still marches as much on his feet as on his stomach."

If one were to look for actual examples of the ideal human foot, there are very few places on the earth's surface where he could go and be certain of finding them.

Different Types of Feet  
In the "Hall of Races of Mankind" in the Field Museum of Natural History in Chicago, are bronze models of the feet of an Hawaiian surfer, of a Chinese coolie, and of a Tamil tree climber, and these indicate some of those few places.

The Hawaiian's foot is muscular, but not very heavy, making it ideal for swimming. The Chinese coolie's foot is broad, heavy and of great strength, showing power and endurance. It rests on the ground like a great, solid pedestal. The tree-climber's foot, while strong, has special adaptations, the big toe being almost prehensile.

The notable feature is that all these are feet that have never known the shoe of modern civilization. The Chinese woman of the upper class used to be compelled to have her feet bandaged until they had assumed a deformity so that she could hardly hobble.

These bones and arches are all moved and maintained by muscles, most of which have long pulleys, being located in the calves of the leg. That is why when you have been walking a long time the calves begin to hurt first.

With all these contrivances and the different movements and strains the foot undergoes in walking and standing, it is no wonder, as I say, that the foot often gets out of whack. This tendency is certainly aggravated by many forms of foot-wear. We will take up that subject in our article tomorrow.

QUESTIONS AND ANSWERS  
E. R. M.—Is whooping cough contagious after the third week?

Answer: It is most contagious for the first three weeks and moderately contagious for the next three weeks.

Q. How may a parent ascertain whether his child under five is of average or better than average development?

A. Only a psychologist can ascertain an I.Q. and he even may make some errors. But for rough estimates of how bright your youngster

is you might use my charts prepared for this purpose to be had by writing me in care of this paper enclosing a self-addressed envelope with a three-cent stamp on it. Please indicate the exact age of your child.

M. E. F.—I have blood pressure of 188, age 55, am a pipe and cigar smoker. Does this have any effect on high blood pressure? Would the pressure reduce if I gave up smoking?

Answer: I do not believe smoking has any permanent bad effect on blood pressure. It raises it a little temporarily. But I can give you very personal advice. My blood pressure is close to yours and I am 59 years old, and Franklin D. Roosevelt, Harry and Mrs. Hopkins, the F. B. I., the entire Mayo Clinic, and even Mrs. Roosevelt, all combined, couldn't stop me from smoking cigars.

EDITOR'S NOTE: Dr. Clendingen has seven pamphlets which can be obtained by readers. Each pamphlet sells for 10 cents. For any one pamphlet desired, send 10 cents in coin, and a self-addressed envelope stamped with a three-cent stamp, to Dr. Logan Clendingen, 235 E. 46th st., New York. The pamphlets are: "Three Weeks' Reducing Diet," "Indigestion and Constipation," "Reducing and Gaining," "Infant Feeding," "Instructions for the Treatment of Diabetes," "Feminine Hygiene," and "The Care of the Hair and Skin."

## North Benton Couple Wed Fifty Years

Mr. and Mrs. Orrin F. Henry of near North Benton held open house Sunday afternoon in observance of their golden wedding anniversary.

Both Mr. and Mrs. Henry are descendants of pioneer families, which were among the early settlers of their community. They have spent their entire wedded life on the farm where they now live.

Before her marriage, Mrs. Henry was Myra T. McGowan, daughter of Mr. and Mrs. Adam McGowan. Mr. Henry is the son of Mr. and Mrs. Richard Henry. They were united in marriage Oct. 4, 1893.

They have three children, Raymond M. Henry of Sebring, Richard L. Henry of the U. S. Merchant Marine and Dora D. Henry at home. They also have three grandchildren.

## Birthday Dinner Held at Beloit

A family dinner was held Friday honoring the 89th birthday of S. R. Barber of Sorento, Fla., and the 80th birthday of his brother, G. A. Barber, at the latter's home in Beloit.

Among those present were Mr. and Mrs. Fred Dahlke of Damascus, Mrs. M. A. Wolgamuth of Salem, sisters, and Mr. and Mrs. James Lovelace of Buffalo, N. Y., sister and husband of the honorees; Mr. and Mrs. V. Pim and Mr. and Mrs. Frank Coy of Toledo, daughter and son-in-law of S. R. Barber; and Mr. and Mrs. Harry Haberland and family of Beloit, daughter and family of G. A. Barber.

Dinner was served at a table attractive with a bowl of roses and a pink and white decorated birthday cake.

## Former Salem Girl Weds Army Officer

Mrs. Henry C. Nelson of Miami, Fla., formerly of Salem, announces the marriage of their daughter, Alice LeClair Nelson, to Lieut. William Lowry Rice of the U. S. A. A. F. son of Mr. and Mrs. James Rice of Asheville, N. C.

The marriage was solemnized Sept. 18 at the Trinity Episcopal church in Miami, Fla.

Mrs. Rice attended Salem High school and graduated from Miami Edison High school. She also attended Brenau college, Gainesville, Fla., where she was a member of Nu chapter, Beta Sigma Phi sorority.

Lieut. Rice, a graduate of North Carolina State Teachers college, is stationed at Boca Raton field, Fla. They are at home at the Land of Sunshine apartments, Miami, Fla.

## Today's Pattern

CHIC APRON

Who said ruffles and sweetheart necks are rationed? They're not! You can have all the kitchen glamour you want by sending for apron Pattern 4549. However, if you're the tailored type of kitchen command, leave the ruffles off and edge a square neck with crisp rick-rack. Make both for Christmas gifts.

Pattern 4549 comes in sizes small (32-34), medium (36-38) and large (40-42). Small size, 1 1/2 yds. 35-in.

Send SIXTEEN CENTS in coin for this pattern. Write plainly SIZE, NAME, ADDRESS, STYLE NUMBER.

Add TEN CENTS for the New Fall and Winter Pattern Book. Free glove and handbag pattern printed right in the book.

Send your order to The Salem News, Pattern Department, 243 West 17th St., New York, N. Y.

by Anne Adams

## NEW STYLES GLAMOROUS, DESPITE RESTRICTIONS

Left, black taffeta short dinner dress brocaded in violet, black jet bow necklace and earrings; center, black pure silk evening dress with molded bodice, hipline flowing into wide lace skirt. Self fabric buttons fasten long tight sleeves and shoulders, pearl jewelry. Right, brown menswear herringbone wool jumper suit consisting of slim skirt, man's waistcoat and fitted jacket, accessories, brown felt beret, watch fob, gold earrings, stone marten necklace, tailored blouse in brown crepe has long cuffed sleeves.

Every woman, even if she is temporarily in uniform, wants to know what the American designers have done with fashions this year. Sophie of Saks, is always notable for the suavity and elegance of her fashions. Three of her models are shown above. The tailor, right above, may have rayon mixed with its wool, but the tailoring is just as handsome as ever. The enchanting cocoa brown lace frock, center, is a typical Sophie model. Bodice, arms, waist are molded by the lace design. The shorter dinner dress in black taffeta is left; worn with it is a pink ostrich feather. (International)

## Donna Regal Heads Baptist Fellowship

Miss Donna Regal was elected president of the Baptist Youth fellowship when members met Sunday evening at the home of Thomas Williams on E. Eighth st. Other officers elected include: Vice president, Thomas Williams; secretary, Sally Strick; treasurer, Calvin Jackson; fellowship coordinator, Benjamin Brudery.

Objectives of the fellowship were explained by the advisor, Mrs. C. V. Williams, and an interesting talk was given by Mrs. S. T. Magann.

Group singing was enjoyed followed by a social time.

The group will meet at 7:30 p. m. Sunday at the Williams home.

## Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

**CREOMULSION** for Coughs, Chest Colds, Bronchitis

## Capt. Don Scott, 23, Former Ohio State Gridiron Star, Killed

(By Associated Press) AT A U. S. MARAUDER BASE IN ENGLAND, Oct. 4.—Capt. Don F. Scott, 23, former Ohio State university football star and commanding officer of a Marauder bomber, was killed Oct. 1 along with his copilot and test engineer in a routine training flight near this base, it was announced today.

The others killed were Second Lieut. Ramsey J. Toon, 23, San Diego, Calif., copilot, and Master Sergeant James B. Sutton, 24, Silver Creek, Miss., test engineer.

Had weather which closed in while the plane was in the air was blamed for the crash.

Scott entered the Air Corps March 15, 1941, and was commissioned at Kelly field Nov. 1, 1941. He was the son of Charles L. Scott of North Canton, O.

Scott was married shortly before he left the United States.

He had been on nine operational missions over Europe, and his commanding officer, Col. Carl R. Storr, San Antonio, Tex., said of him:

"Capt. Scott was one of the best pilots in the Air Corps. Much was expected of him as a commanding officer. His ability as a pilot and leader of men was outstanding and he will be difficult to replace."

COLUMBUS, Oct. 4.—Capt. Don Scott, killed in an airplane crash in England, was one of Ohio State university's great athletes.

He was a three-letterman—football, basketball and track—and he reached the heights in 1939 when, as quarterback, he led the Buckeyes to the Big Ten championship. He finished his college career as a halfback in 1940, which incidentally was Coach Francis Schmidt's last year, but failed to shine as he had the year before.

Paul Brown, who came to Ohio State as coach the following year expressed grief at the news of Scott's death.

"I knew that boy when he played at Canton McKinley. He was a good chap, and I'm grieved to hear this," said Brown, who was coach at Massillon high school when Scott was at Canton.

Scott married Leone Shafer of Columbus a year ago last month, and Mrs. Scott expects a child this week. She lives here.

"Scott was one of the great athletes at Ohio State," said Jim Renick, OSU's press representative. "You don't find many like him."

## GNATS, FLIES AID GENETICS RESEARCH

AUSTIN, Tex. — Some people might think that gnats are only pesky, bothersome little creatures, but a half-dozen University of Texas professors go for them in a big way. In fact, the university's gnat collection is the largest in the world; and it also has a sizable collection of flies.

These insects are valuable for research on genetics, and the insects—about 1,000,000 of them—are kept in bottles in a special air-conditioned laboratory. They even have a special diet of a mixture of bananas, yeast, karo syrup, agar and water.

Food rationing is no bother to them. The genetics research is being conducted with the aid of a \$35,000 Rockefeller Foundation grant to the university. Part of the funds was used to equip a fly-catching bus, which has traveled 33,000 miles in trapping the insects.

The university collection includes gnats from Florida, Rocky Mountain area, Idaho, Utah, Yellowstone Park, Grand Canyon, Arizona, Mexico, the Texas Big Bend country, Korea, Japan, Hawaii, Canada, Europe and South Africa.

Primarily, the university scientists are doing research on chromosomes and the gnats provide material. Already the scientists have determined the effect of X-ray on chromosomes, revealed some facts about evolution, and learned that hybridization of species probably from Florida and Mexico has developed a new species.

Soon the Texas professors will be off on another gnat and fly-trapping tour. The itinerary calls for trips to the southern part of Mexico and to the desert country near Monterrey, Mexico.

## GRANDMA KNEW ABOUT COLDS

She used mutton [ABOUT COLDS] to relieve cold-coughing, muscle aches. Mothers today simply rub on Penetro. Modern medication in base containing old reliable mutton suet. Relieves such colds distress. 25c. Doubles supply 35c. Get Penetro.

**WHO, ME? CAN'T DRIVE A CAR FOR 5 years!**

FOLKS, that's exactly what the new Ohio Motor Vehicle Financial Responsibility Law says, if you have any kind of automobile accident and you refuse to pay within 30 days after you have been convicted in a judgment suit. Avoid costly judgments, future regrets and losing your right to drive for 5 years. It's so easy and economical to be protected ALL WAYS by one of HOOSIER Casualty's comprehensive auto liability and property damage policies. ## Interesting Items Gleaned from Army Newspaper, 'Yank'

(By Associated Press)  
NEW YORK, Oct. 4.—It may or may not be a tipoff on United Nations strategy, but 'Yank,' the Army weekly, reports artillery tests against a miniature westwall, the chain of Nazi fortifications that face the old French border.

Army ordnance has built a miniature Nazi westwall at the Aberdeen Proving Ground, Md., 'Yank' says, "and American artillery was placed at a battle distance in realistic firing tests. When the guns finished the westwall was a shambles."

Other items about fighting men from recent issues of 'Yank':

The War department figures that more than 10,000,000 individual Christmas presents will be mailed overseas during the Sept. 25-Oct. 15 mailing period. That is twice as many as were sent to men overseas during a similar period last year.

Latest word in GI chow in Sicily, is the new U. S. ration box. This box holds three days' rations for five men and includes such stuff as pea soup, roast beef, orange juice, spaghetti and meat balls, and toilet paper. Although the box is a bit bulky for field conditions, it's a welcome change from C rations which are the standard diet.

Blood plasma bottles furnished the Army by the Red Cross will no longer have white labels. Some medics were shot by Japanese because the white labels made perfect targets. The labels now are of colors to blend with the surrounding country.

The Navy will soon commission 400 women doctors for active service. They will be stationed in the continental U. S. The Army has 10 women medical officers, the WAVES eight.

Face value of GI insurance jumped from 17 1/2 billions in April to \$3 billion in August as a result of the last insurance drive in which Congress made it possible for soldiers to take out policies without physical examinations prior to Aug. 10.

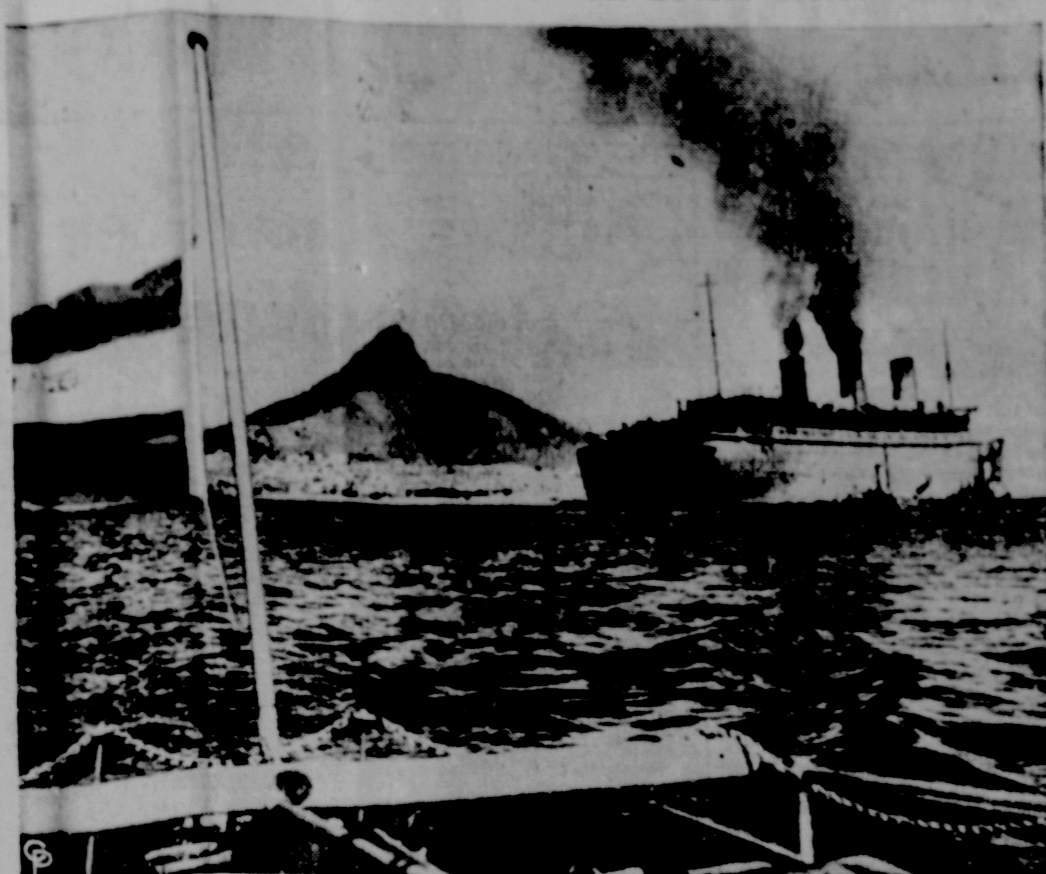

Army Air Forces camouflage engineers have developed nine basic camouflage colors for soldiers on any terrain any season of the year. Experiments show that a soldier can be made invisible at 10 paces.

The U. S. Army Red Cross field director in Australia has suggested that Aussie girls who have married American GIs receive instruction on how to fit themselves for home life in the states. There are now more than 500 such marriages officially recorded, he says, and probably many more unrecorded. The Red Cross, incidentally, carefully investigates the backgrounds of both the GI and his girl before they get hitched to make sure each one knows what the score is. Parents or guardians of the girl must sign a statement that they'll care for her in an emergency, and the girl is advised that she can't get to the U. S. until the war is over.

HOLLYWOOD, Cal.—Kurt Katch, Polish actor with considerable knowledge and sidelight on this subject, predicts that the world will have the fortitude to sustain one more trial. He says Hitler will not commit suicide until after he has first made his last dramatic speech on the occasion of his trial before a world tribunal.

## QUEEN MARY AT ANCHOR AFTER DASH WITH TROOPS

PAINTED A DRAB WAR GRAY, the 81,235-ton liner Queen Mary is shown some months back in Table Bay, Capetown, South Africa, after a record run across the Atlantic with American troops. The photo, which was just released by the British government, was taken at the completion of a 12-day trip. The previous mark had been 19 days. The huge ship was reported to have run through a pack of 24 Nazi subs. (International)

## Former News Bureau Chief In Berlin Tells How Nazis Control Newspapers

(EDITOR'S NOTE: In observance of National Newspaper week, The Associated Press asked its former chief of bureau in Axis capitals to describe how the press is throttled in those countries. Today, Louis Lochner, now a radio news analyst on the Pacific coast for Press Association, Inc., writes of conditions in Germany. In subsequent articles, Richard Massok will tell the Italian story and Max Hill will write about Japan.)

By LOUIS P. LOCHNER  
Former Chief of Associated Press Bureau in Berlin

HOLLYWOOD, Oct. 4.—When, a little over a year ago, I returned to our United States after five months' internment by the Nazis, many a friend in the newspaper profession gripped to me about the war censorship set up for our American press after Pearl Harbor. "It's no different from what the Nazis are doing," some fellow journalists would exclaim.

I could not help laughing at this ignorance of what press control under Nazism means. Our war censorship worked under the able direction of Byron P. Lee is concerned solely with keeping from the enemy such information as may help him militarily.

The widest thinkable latitude for expression of dissent, of criticism, of individual viewpoint obtains in our country any non-Nazi German editor would jump at the chance to work in his country under conditions anywhere similar to ours. And even many a faithful Nazi would join him.

Early in the Nazi regime, Propaganda Minister Joseph Goebbels pretended to encourage criticism. He assured the German press that "constructive" criticism was welcomed, and that the regimentation of the press applied only to that form of subversive activity which, under the guise of criticism, sought to undermine the new third Reich of Adolf Hitler.

### Goebbels Orders Removal

The editor of one of the Ullstein publications—I believe it was the "Graune Post"—guilelessly took the "little dictator" at his word and aired a few grievances which, as I read them, seemed innocuous enough. The editor was promptly removed on Goebbels' orders. Nobody after him dared criticize.

Some weeks before the famous "purge" of June 30, 1934, Franz von Papen, then vice-chancellor, delivered a speech before the students of Marburg university in which he criticized certain dictatorial tendencies the Nazi movement.

Hitler's Gestapo discovered that Von Papen had a ghost writer named Jung, who had prepared this speech for Germany's outstanding political Will-o-the-Wisp June disappeared with the purge!

Regimentation of the German press under Adolf Hitler goes so far that even the size of the headline and the position of the item on the page are prescribed in the case of news considered important by the regime.

If an individual paper digs up an item of its own, it must first confer with the official news bureau, the D.N.B.

Published DNB Story

I stood beside an unhappy German editor once who did nothing more than to describe, in terms flattering to Der Fuehrer, a reception in Goebbels' official residence at which Adolf Hitler appeared unexpectedly. Imagine his disgust when, later in the day, he confided to me that he was not even permitted to publish his own version of a social affair, but was compelled to accept the stilted, bureaucratic DNB version!

For Adolf Hitler, the abject and complete regimentation of the German press was a welcome means to achieve his principal aim, viz., that of planning and preparing for the greatest war in history.

No matter what successive acts of aggression Hitler committed, his robots of the press were there to "make the worst appear the better reason."

## Junior Red Cross Aids Ailing WACS

PORT DES MOINES, Ia.—Days in the post hospital for WACS at Port Des Moines are made pleasant for convalescing by the efforts of the Junior Red Cross members of 14 mid-Western states and Mrs. Dorothy Wilkinson, assistant Red Cross field director at the hospital.

Gay-colored games and handily-covered books are available to all patients, provided by Red Cross workers from Arkansas, Colorado, Illinois, Iowa, New Mexico, Kansas, Michigan, Minnesota, Missouri, Montana, Nebraska, North Dakota, South Dakota, Oklahoma, Texas, Wisconsin and Wyoming.

Holiday mealtime also has a properly festive note, as trays are covered with paper serving towels, decorated with seasonal emblems, and colors designed and applied by the Red Cross members. Nut cups and paper American flags often decorate the ailing WACS' trays.

The Junior workers have pasted continued story installments from magazines into scrapbooks for the patients and have furnished a majority of them with handmade beds, side bags to keep pens, pencils, makeup and stationery. Jigsaw puzzles made by the workers and solitaire tables with built-in slots to prevent the cards from slipping help speed many a WACS' convalescing hours.

Already there is a stock of toe socks, hot water bag covers, sweaters and fracture pillows for those members of the women's army who may not be able to keep their equilibrium on the ice at the Port next winter.

The highest suspension bridge in the world spans the Royal Gorge canyon of the Arkansas river in Colorado.

WHY GAMBLE WITH QUESTIONABLE BRAKES . . . ?

Get them relined before winter sets in.

## CHINESE BUILD NEW BURMA ROAD

CHINESE TROOPS who escaped to India when the Japanese overran Burma work, above, on a new Burma road which they hope will be linked with the old one to get supplies into China. The soldiers are pictured shoring up a river bank in the jungles near Assam, India, on the route of the new supply line. (International)

## Trailer Camp Dwellers Given Voting Privilege

SACRAMENTO, Calif.—Trailer camps and public camping grounds will have the same standing for voting privileges as more permanent homes under a legislative bill which has been signed by Governor Earl Warren.

The measure, approved by the legislature at its recent session, was passed to establish the voting status of trailer and auto camp residents. The problem has been subject to question in California industrial centers since the start of the war and the influx of unhoused, but nevertheless permanent, worker residents.

## Columbiana Class Officers Selected

COLUMBIANA, Oct. 4.—The following class officers have been elected in the High school and Junior High school:

Seniors: President, Leona Ehrhart; vice president, Richard Seftman; secretary-treasurer, Winifred Esterly; athletic chairman, Glen Chaddock and Jeanne Carlson; social, William Dickinson and Wilma Biddison.

Juniors: president, Keith Laughlin; vice president, Glen Engle; secretary, Dorothy Oesch; treasurer, Ada Kaber; athletics, Harry Hollinger and Peggy Brungard; social, Margie Hum.

Sophomores: President, William Newell; vice president, David Duff; secretary, Shirley Bartels; treasurer, Francis Cunningham; athletics, Robert Hum and Sue Senenbaugher; social, Winifred Wolfgang.

Freshmen: President, Robert Antram; vice president, Miriam Wilson; secretary-treasurer, Sally Koch; athletics, Richard Berryman and Jenny Lou Childers; social, Joan Haggerty.

Eighth grade: President, Russell Humm; vice president, Marilyn Bevinington; secretary, Eileen Guy; treasurer, Richard Gano; social, Vivian Grant and Ida Lake.

Seventh grade: President, Richard Duff; vice president, Frances Prizant; secretary, Mary Lou Zellers; treasurer, Ellen Case; social, Patty Moore.

Columbiana Over Top

Columbiana and Fairfield township have gone over the top in the Third War Loan drive, with subscriptions totaling \$636,000 or \$160,000 more than the quota.

Local men and women have been engaged in the work with Mark Klingensmith as chairman. This campaign involved the largest amount of money ever raised locally in one drive.

Mr. and Mrs. Homer Lehman have received word that their son, Lieut. A. Matrice Lehman, who is stationed at Fort Benning, Ga., has been promoted to first lieutenant.

Miss Stella Keagle, who has operated the Park House at the square for 14 years, will surrender her lease Oct. 14 and will go to New York City for the winter.

Relatives here have been advised of the death of Mrs. Will Lauten of Youngstown, which occurred Friday at the South Side hospital. She was a former local resident.

## Wiggers Specialize In Car Lubrication

You could spend hours writing of lubrication for any make of automobile. It's a subject that seems on first thought to be simple but really very complicated.

All manufacturers issue lubrication guides for the use of auto mechanics; they do not take the chance that a master mechanic will know just what grade of oil or grease lubricant to use for any particular part.

Manufacturers agree that early fall is the time to have any car serviced for cold weather driving. It will make the car start much easier, it will save the life of the battery and even more important, properly lubricate the moving parts when the car first starts instead of letting it run without lubricant until the friction has warmed the oil or grease enough to flow properly.

Wiggers service stations on South and North Ellsworth ave. have made a specialty of car lubrication. They follow the manufacturers' recommendations and the result is many have learned their repair bills are less, much less than the small lubrication charges.

## Ordering Coal Now Is Best Precaution

The chill in the air makes householders look anxiously at their cellar bins. Leading coal producers inform their dealers that there will be enough fuel to keep the population warm provided John Lewis and Jack Frost do not go on a rampage.

At the moment the government does not believe that rationing of bituminous coal is necessary. The producers state they can meet all requirements if no work stoppages occur.

W. W. Tolerton, manager of the Citizens Ice and Coal Co. has done possible to make certain that coal in the several sizes and grades will be on hand at all times, but he says there is only one sure way and that is to have your supply ordered at once. Place your order at once so you will be high on the delivery list when cold weather does arrive.

Amarillo, Tex., is the leading source of helium in the United States.

## Quit Hiding the Tea

NEW YORK, Oct. 4.—Retailers can take their tea supplies from under the counter and put it on their shelves, in the opinion of Benjamin Wood, director of the Tea Bureau, Inc., as a result of increased supplies.

The head of the trade association said tea was entering the United States at a rate indicating an early return to normal needs of 100,000,000 pounds a year.

Insulation Drives Drafts From Home

Hundreds of articles have been written regarding the insulating of homes, many of them by government agencies interested in conserving fuel, and the manufacturers of the insulating materials have done all in their power to convince home owners that it is real economy to insulate.

No firm is better suited to give real facts than the Johns Manville Co. which manufactures the Blown Rock Wool. This company has hundreds of satisfied customers scattered all over the United States who have benefitted from installations made many years ago. It's not a new venture, it's a proven fact that Blown Rock Wool does keep a third to a half the cold out of your home. This will cut your coal bills and you will enjoy a home that is free of drafts.

R. B. Finley, manager of the Finley Music Co. on Broadway, is the agent in this district for Johns Manville Blown Rock Wool. If you will contact him he will arrange to visit you at your home and tell you exactly what it will cost to have the work done.

Wrens frequently build nests that are never occupied.

## Dairy Guarantees Pasteurized Milk

The one most precious thing common to all regardless of their position in life is health.

Health authorities have preached and in many instances caused laws to be passed that prohibit the sale of many food stuffs that in years gone by were accepted as safe without question. Milk is as generally used as any food product and as dangerous if it is not pasteurized or boiled, according to health authorities.

Many families use raw milk daily without fully realizing the dangers that may be present. The dairy that produces the milk may be as careful as its possible to be and at the same time deliver milk that is reeking with organisms that are certain to prove harmful.

The safe way is to buy the milk you use or buy only pasteurized milk and that's why the Old Reliable Dairy sells only pasteurized milk. Milk you can be safe to drink or use in any way.

# Brooklyn, Cleveland Clinch Third Places In Finale Of Year

## SECOND WARTIME BASEBALL SEASON COMES TO CLOSE

By TED MEIER  
Associated Press Sports Writer

Unlike a year ago when the St. Louis Cardinals didn't clinch the National league pennant until the last day of the season, the finale of the 1943 baseball season yesterday decided only third place in both major leagues.

Although beaten by Cincinnati, 6-1, the Brooklyn Dodgers took third money in the senior loop when the Phillies defeated the fourth place Pittsburgh Pirates, 3-1 and 11-3.

Cleveland nosed out the Chicago White Sox for third in the American league by beating the Philadelphia Athletics, 8-4 in 11 innings. The White Sox walloped the Boston Red Sox 4-2 and 3-1, but finished half a game behind the Indians.

**Ready For Series Opener**  
The Championship St. Louis Cardinals and New York Yankees finished their tuneups for the World Series by again beating the Giants 5-4 and the Browns 5-2. This gave the Cards 103 victories for the season, only one less than last year, and marked the first time in 30 years a National league champion has repeated with more than 100 triumphs. The Yankees wound up with 98 victories.

Dizzy Trout of Detroit pitched the Tigers to a 4-1 victory over Washington and joined Mort Cooper of the Cards, Spud Chandler of the Yankees, Elmer Riddle of the Reds, and Rip Sewell of the Pirates, as the only 20-game winning pitchers for the season.

The Chicago Cubs and the Boston Braves divided a twin bill, the Cubs winning the opener, 7-0 and the Braves the nightcap 5-2.

Thus ended America's second wartime campaign, begun in doubt in the spring, but winding up a distinct success despite the loss of such stars as Joe DiMaggio, Ted Williams, Johnny Mize, Terry Moore, Enos Slaughter, Charley Ruffing and Johnny Beazley to the armed services.

## Boardman Smothers Lisbon Squad, 55-6

Boardman High, concentrating most of its power in the first and third quarters, vanquished a weak Lisbon eleven, 55-6, in their Tri-County League encounter at Boardman Saturday.

Capt. Eddie Morgan led the parade with three touchdowns, while Jack Foulkner converted seven straight placekicks for extra points, after he had missed the first.

The Spartans chalked up three touchdowns and were marching for a fourth by the time the first quarter ended. Morgan smashed through the line from the Lisbon 18 to tally the first, climaxing a drive following the opening kickoff.

After George Fitch marked up another, going 15 yards on a tricky reverse, Morgan scored his second, slicing through tackle from about the 14. Charles Ebersbacher skirted left end from the nine early in the second quarter for the Spartans' fourth touchdown.

Lisbon pounced on a fumble on the Boardman 35 late in the second quarter, and capitalized on the scoring opportunity. Lewis and Mullen driving to the seven, from where Weber tossed a touchdown pass to Smith.

The third quarter was a continuous march for Boardman as it tallied four more times.

## RIPE FOR SERIES

## World Series Brings Fans To New York

By SID FEDER  
NEW YORK, Oct. 4—A few thousand more "fish" jammed themselves into Pa Knickerbocker's sardine can today and everything was about ready for the World Series—except how to get tickets, where to sleep and what was cooking with Mort Cooper's sizzling arm.

The village was really hopping and popping for this return bout between the New York Yankees and the St. Louis Cardinals starting tomorrow at the stadium.

With the Yanks installed as 7 to 10 favorites to win back the World Championship the St. Louis Swifts took from them last year, the big question was whether Mort and his mysterious sore arm or Lefty Max Lanier and his fork-side flipper would tangle with Spud Chandler on opening day, providing Spud got Marge Joe McCarthy's expected call.

It was New Year's Eve on every street and in the hotels, night clubs and restaurants, were hitting nothing but jackpots as indications were the first three games, all in New York, may be the fanciest financial furies in series history.

As a matter of fact, it was lucky the Cards had hotel reservations for their arrival late this afternoon, because they'd hardly like the benches in Central park. There were about the only accommodations left.

There was more than an outside chance the stadium cash registers would play their first sellout tune for a fall classic. Gus Fan and the Missus and some 70,000 of their relatives would turn out for the opening, thereby wiping out the 69,902 single-game attendance record which these same two outfits drew for their Sunday game a year ago.

Pastebars were as scarce as soda shops on the Sahara and it was strictly bank night for the ticket scalpers.

## Facts and Figures On World Series

(By Associated Press)  
NEW YORK, Oct. 4—Facts and figures on the 1943 World Series:  
Opponents—St. Louis Cardinals (N. L.) vs. New York Yankees (A. L.)  
Winner—Club which takes four games out of seven.

Favorite—Yankees at odds of 7 to 10.

Schedule—Tuesday, Wednesday, Thursday at New York; Sunday, Monday, Tuesday and Thursday at St. Louis.

Time of games—1:30 p. m. Local time.

Probable pitchers, first game—Cardinals—Max Lanier (15-7); Yankees—Spud Chandler (20-4).

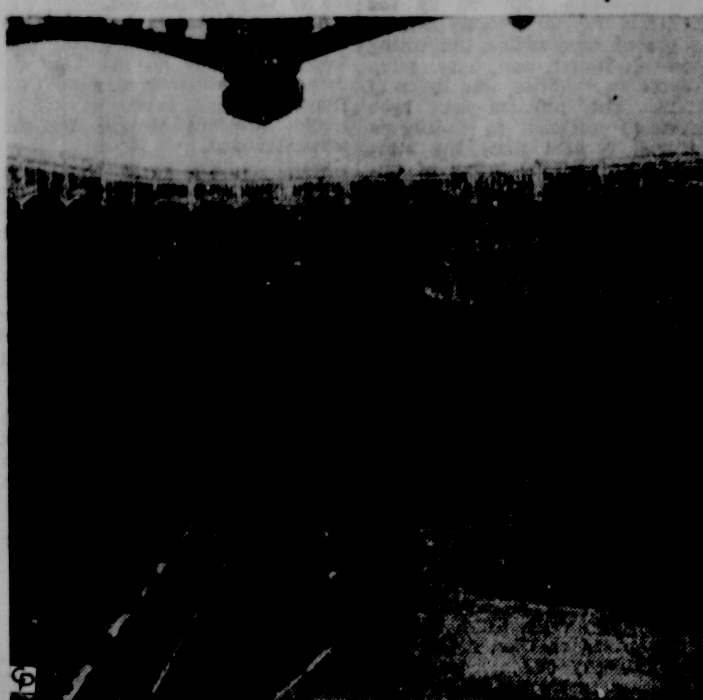

Broadcast—Mutual Broadcasting system.

Last year's result—Cardinals beat Yankees, four games to one.

### SERIES ON AIR

NEW YORK, Oct. 4—The MBS station lineup is set for the St. Louis Cardinals-New York Yankees tomorrow afternoon when they start the World Series. The broadcast opens from New York at 1:15 (12:15 S. time), fifteen minutes before game time. When the teams move to St. Louis the broadcasts will be at 2:15 (1:15 S. time).

## Michigan and Irish Game On Saturday To Be Grid Classic

(By Associated Press)

CHICAGO, Oct. 4—The Midwest proudly presents five undefeated football teams—the Michigan Wolverines, the Irish of Notre Dame, the Iowa Pre-Flight Seahawks, the Purdue Boilermakers and the Minnesota Gophers—but better yet it offers two of them—Michigan and Notre Dame—against each other in what promises to be a thrilling spectacle Saturday at Ann Arbor.

By the time the Wolverines shoot the works and the Irish explode their poised "T" attack, the midwest's chief contender for the title of national champion should be pretty well apparent.

There probably are few indeed of the 30,000 who watched Notre Dame devastate a good Georgia Tech team Saturday 55-13 who don't think the Irish will beat Michigan. But then none of those in South Bend saw the Wolverines maul Northwestern, 21-7.

The Seahawks, Boilermakers and Gophers continue to clamor for attention, too. The Pre-Flight array's 33-13 win over Iowa State Saturday was its third straight.

Purdue's third consecutive triumph was 40-21 over Illinois. Minnesota has two straight wins, the latest 54-0 over Nebraska. The midwest slate calls for these other clashes Saturday:

The Seahawks vs. Iowa, a 7-5 loser to Wisconsin.

Illinois vs. Wisconsin.

Indiana, a 52-0 racehorse winner over Wabash, vs. Nebraska.

Ohio State, 27-6 winner over Missouri, vs. Great Lakes, revitalized by its 40-0 runaway over Pittsburgh.

Purdue vs. Camp Grant, which was held to a 7-7 tie yesterday by Marquette. Marquette plays Lawrence in a night game Saturday.

In other games, Duke punished the North Carolina pre-flight outfit, 42-0, while navy had almost as easy a time in drubbing Cornell, 46-7.

Scores as a whole last Saturday were of the lopsided variety. Army crushed Colgate 42-0, Pennsylvania trimmed Yale 41-7, Princeton downed Columbia 26-7, and Dartmouth blanked the U. S. Coast Guard academy, 47-0.

Upsets were frequent in the south and southwest where Louisiana State mastered Rice, 20-7, Southwestern trimmed Texas, 14-7, and North Texas State knocked off Southern Methodist, 20-6. Pacific Coast teams followed form with Southern California edging California, 7-0.

### Horse Pulling Contest Won by Indiana Outfit

TROY, Oct. 4—A crowd of 3,500 saw a team owned by Harry Harter of Middletown, Ind., win the World's heavyweight horse pulling championship at the Miami county fairgrounds here yesterday. The fairgrounds pulled a 6,500-pound load 9 feet 11 inches.

Thirty-eight teams participated for trophies and \$500 in cash under the auspices of the Horse Pulling Association of Ohio.

Ohio winners were: E. J. Shroyer of DeGraff, third place in heavyweight class, pulling 6,500 pounds 7 feet.

G. M. Demmon & Son of Ansonia, second in lightweight class, pulling 5,000 pounds 17 feet.

Dick Nichols of Ashley, third place in lightweight division, 12 feet 10 inches.

**SUNDAY FOOTBALL**  
Del Monte pre-Flight 33, St. Mary's College 7.

Marquette 7, Camp Grant 7 (tie).  
San Francisco 6, Nevada 0.  
Salt Lake Army Base 0, Fort Douglas 0 (tie).

## COLLEGE FOOTBALL IN STATE UNLIKE PEACETIME GAMES

By FRITZ HOWELL

COLUMBUS, Oct. 4—Ohio's college grid teams had quite a time over the weekend!

Ohio State's batch of 17-year-olds, meeting a team in their own class for the first time, wrecked Missouri by 27 to 6, with Ernie Parks of Canton contributing three touchdowns on runs ranging from 10 to 60 yards.

Rio Grande's gallant Redmen, who haven't won since 1937, dropped their 30th consecutive game, 25 to 6 to Otterbein.

Miami's Redskins scaped Xavier's Musketeers 60 to 6, the worst defeat the Cincinnati Catholics have suffered within the memory of man.

Ohio Wesleyan, beaten by Bowling Green and Wooster, finally got on the winning side by nosing out West Virginia's Bethany 19 to 15.

Bowling Green, romping to a 36 to 0 win over Central Michigan, stayed out front in the Ohio race with three straight conquests. Only Otterbein and the Bee-Gees are unbeaten or untied.

**Bucks Go To Chicago**  
Next week's frays are headed by Ohio State's invasion of Chicago for a tilt with the Great Lakes naval base. Despite their fine showing against Missouri, the Bucks are underdogs in this one, just as they were a week ago to the Iowa Seahawks who beat Ohio 28 to 13. The Great Lakers beat Pittsburgh 40 to 0 Saturday.

Also on Saturday's card are Carnegie Tech at Case, Ohio Wesleyan at Baldwin Wallace, Wooster at Miami, Bethany at Oberlin, and Patterson field at Bowling Green. Other scores Saturday were: Oberlin 26, Case 6; Baldwin Wallace 25, Wooster 7; Bunker Hill naval of Indiana 9, Patterson Field 6.

**Standings:**

	Won	Lost	Tied	Pts.	Op.
Bowling Green	3	0	0	94	7
Otterbein	1	0	0	25	6
Miami	2	0	1	101	25
Oberlin	1	0	1	26	6
Baldwin Wallace	2	1	0	50	27
Ohio State	1	1	0	40	34
Wooster	1	1	0	29	39
Ohio Wesleyan	1	2	0	40	55
Patterson Field	0	1	0	6	9
Rio Grande	0	2	0	27	61
Case	0	2	0	12	45
Xavier	0	2	0	6	100

### OHIO CONFERENCE

	Won	Lost	Tied	Pts.	Op.
Baldwin Wallace	2	0	0	44	13
Oberlin	1	0	0	26	6
Wooster	0	1	0	7	25
Case	0	2	0	12	45

### Bowling Schedule

#### MONDAY NIGHT

Quaker City League  
Genda vs. Bloombergs; Howdys vs. Coys; Gold Bar vs. Bowling Center; Hawks vs. Albrights; Bevans vs. Lape; Camps vs. Sponsellers; Famous vs. Althouse.

#### American League

7—Firestone vs. Electric Furnace; Eagles vs. Zimmermans.  
9—Fernengels vs. Brownies; Richardsons vs. Demings.

#### TUESDAY NIGHT

National League  
7—Eagles vs. Ohio Restaurant; Demings vs. B. & G.  
9—Pennys vs. Salem China; Albrights vs. News.

#### WEDNESDAY NIGHT

Pastime League  
6:45—Salem Label vs. Eagles; Andalusia vs. Salem Lunch; Roberts vs. Ohio Bell.

8:45—Sponseller vs. Bowling Center; Zimmermans vs. Pops; Pros vs. Citizens.

#### Masonic Ladies League

6:45—Bankettes vs. Gems; Mullins vs. Schwartz.  
9:00—Eagles vs. News; Bowling Center vs. Warks.

#### THURSDAY NIGHT

Mullins League  
Office vs. Inspector No. 2; Foreman vs. Plant No. 3; Millwright vs. Trout; Production vs. Tool and Die; Guards vs. Shell Line; Press Room vs. Cost Dept.; Standards vs. Insp. No. 1.

Electric Furnace League  
7—Transformer vs. Machinists; Structural vs. Draftsmen.

8—Night Shift B vs. Shipping; Night Shift A vs. Office.

#### FRIDAY NIGHT

Adrian Ladies League  
Eagles vs. Hansells; Endres-Gross vs. Salem Eng.; Coys vs. Salem Concrete; Haldis vs. Jr. Saxons; National Sanitary vs. Finneys; Arts vs. Columbia; Firestone vs. Damarus.

#### Federal League

7—Sanitary Shippers vs. Sheens; Shells vs. Sanitary Foremen.

9—Eagles vs. Genda; Kelleys vs. K. of C.

Washingtonville League  
7—Recreation vs. Firestone; Town Tavern vs. Crescents; Eaton vs. Columbiana.

9—Howdys vs. Hillside; Signes vs. All-Stars.

#### Set Archery Records

CINCINNATI, Oct. 4—World records set in a meet sponsored by the National Archery association were Bud Pierson of Cincinnati, 65-pound bow, 498 yards 8 1/2 inches and 80-pound bow, 322 yards 5 1/2 inches; Paul Berry of Middletown, O., 50-pound bow, 455 yards 17 1/2 inches.

The Grand Canyon in Arizona has been called the most remarkable record of river erosion in the world.

## THIS WILL BE "DREAM" GAME

# Quakers Face Their Toughest Battle With Leetonia Friday

When the lights go on, the band plays, and the stadium fills at Reilly field Friday night, football fans from Salem and Leetonia will have in store for them a "dream" ball game.

There are many reasons for calling this annual clash a "dream" ball game. Some of those reasons are cold, hard statistics, compiled this season by the opponents in this battle. Other reasons date way back to 1932, and more recently to 1941 and 42.

The statistics are: Salem is undefeated and untied in three ball games this season; Leetonia is undefeated and untied in two games this season; Salem has averaged 26 points per game while holding their opponents to 8 points; Leetonia has averaged 26 points per game and held their foes to six points; Salem averages 157 pounds and Leetonia 148 pounds as a team; Salem's backfield averages 150 pounds as compared to Leetonia's 140; Leetonia defeated East Palestine 25 to 6; Salem defeated the Bulldogs 19 to 6.

**Rivalry Dates Way Back**  
Other reasons why this is an exceptional battle go back to the last Salem-Leetonia game before this rivalry was renewed in 1941. Salem defeated Leetonia 95 to 0 in 1932.

Also on Saturday's card are Carnegie Tech at Case, Ohio Wesleyan at Baldwin Wallace, Wooster at Miami, Bethany at Oberlin, and Patterson field at Bowling Green. Other scores Saturday were: Oberlin 26, Case 6; Baldwin Wallace 25, Wooster 7; Bunker Hill naval of Indiana 9, Patterson Field 6.
